Crime Review

At the start of the year crime, particular burglary was an emerging issue and a lot of targeted patrols were placed into Glenfield. These extra patrols have managed to get some significant arrests and disrupt many of the known criminals targeting Glenfield. This has delivered a significant reduction in burglary in Glenfield.

Thanks also have to go to Glenwatch. They have completed a lot of hard work so far this year and have further developed Neighbourhood Watch across Glenfield, which provides a real assistance to the Safer Neighbour Team in tackling burglary across the area. Also big thanks to the Police Volunteers who have been assisting with the Safer Neighbourhood Team throughout the change.

Please contact with your Safer Neighbourhood Team by emailing PC Phil Hurst philip.hurst@leicestershire.pnn.police.uk with any issues that you would like to be tackled. You can also follow the team on twitter @Glenfield. You can also leave a voicemail message via 101 option 2 and enter Phil Hurst's collar number 2049.

If you see any one acting suspiciously then please dial on 101 and if you witness a crime in progress call 999. Your call could help lock up a criminal and/or save a neighbour from becoming a victim of crime.
