Robbery	0	0	0
Other	16	28 ( 20 of these being theft of fuel and theft from store)	3
<b>Total</b>	<b>32</b>	<b>44</b>	<b>19</b>

### **Positive Outcomes from Crime**

On Friday 13<sup>th</sup> June, two males were arrested by police following a report from a member of the public who disturbed the males stealing from her vehicle. These two males have been charged with three further theft from motor vehicle offences on Leicester Forest East and one offence of Going Equipped.

A prolific offender of Theft Stores was arrested and charged for 29 offences many of which occurred at the Co-op Hinckley Road, Leicester Forest East.

A male has been identified and arrested for an attempt Burglary Holmfield Avenue West, Leicester Forest East.

Two males have been identified for an attempt Burglary Other than Dwelling in Forest House Lane, Leicester Forest East, enquires are ongoing with this.

### **Emerging Crime Trends**

Theft from Motor Vehicles again seems to be an issue on this beat, with the majority still being insecure. Please ensure that all property is taken from your vehicles and not left on display for opportunistic offenders. The beat team, along with additional officers will be conducting extra evening patrols in Glenfield and LFE over the next month to try and combat this issue.

We have had an increased in the amount of shed breaks reported on this area with garden equipment such as lawnmowers, strimmer's etc being the target. Please treat your shed as you would your house, ensure that it has adequate locks and security, consider a shed alarm if you have high value items inside and consider post coding the items. Shed alarms and Shed alarm signs can be purchased from Braunstone Police Station.

Please ensure that you are closing all of your windows, including the small windows that many people leave open. Over the past months offenders have taken the opportunity to

use these small open windows to reach in and open the larger windows underneath to gain access to properties.

### **ASB**

We recorded 15 reports of ASB on the beat many of which were isolated incidents involving trouble with neighbors and noise issues which are to be expected with the lovely hot weather we have had.

However, those of note include the reports around the David Wilson Estate. Leicester Forest East where we have received reports of a mini moto's/mopeds being driven around the estate. On Kings Walks LFE, one such report from a member of the public prompted the seizure of a stolen motorbike!

Operation Antidote continues with ASB risk areas patrolled by officers during the peak reported times. The risk areas for this beat have been identified as the following areas:

Torcross Close Alleyway, evidence of alcohol being consumed

Sainsburys Hinkley Road

Premier Store LFE

Forest House Lane LFE

Kings Drive LFE

Spider Park LFE

### **Some Issues highlighted to police over the month**

There was an incident of Indecent Exposure reported to the police at the County Hall, underpass Glenfield. Enquires are ongoing in relation to identifying a suspect for this. English Heritage made contact with the beat team in relation to recent damage and theft that has occurred at Kirby Muxloe Castle, a site visit was completed and certain preventative measures were discussed.

The police has been invited to a joint agency meeting in relation the parking issues at Stafford Leys Primary School, the meeting is to be held on 2 July 2014.

The police have been asked to compile a report in relation to the implementation of part lighting in parts of LFE and the effect this could have had on crime and ASB levels.

We received a couple of calls in relation to the care home, Laurel Close, Glenfield and one of the residents that were causing problems there. This also sparked a few calls in relation to the increase in police presence around the area by the local residents.

Through working alongside partner agencies the individual has now been removed from the home.

### **Warrants Executed**

Theft Act Warrant executed Barons Close, Kirby Muxloe, suspect was arrested for handling stolen goods and bailed pending further enquires to be completed.

### **Beat Initiatives**

We continue to work towards our two Problem Solving Plans (PSP) which is to reduce burglary and Theft from Motor Vehicles in Glenfield. Extra patrols will be in place over the next month to help reduce these crime levels. Operation Antidote continues.

We have been invited to attend a Social Care Event at Kirby Free Church 02<sup>nd</sup> August where we hope to attend with the beat bus to provide information and advice to elderly members of the community and their carers in relation to crime prevention, and what support the police can provide. We would encourage any assistance from our police volunteers for this event.

### **Street Surgery**

Officers from the Leicester Forest East Safer Neighborhood Team will be visiting residents in Lancelot Close and Forest House Lane On Saturday July 26th between 3pm and 5pm. This will give residents the chance to meet their local officers and get any crime prevention advice.
