Assaults – as always are domestic related

Theft from Motor Vehicles – these are mainly theft from works vehicles where tools are targeted. This is currently happening all over the LPU not just in Glenfield.

Theft other – this includes theft of petrol. It also includes a current issue in Glenfield. Plant pots and their contents are being targeted by thieves. Please pass onto Glenwatch that this is an issue so that they can alert residents in their areas to keep an eye out and take any action they may be able to to prevent them falling victim.
